

BY004 T-Shirt Round Neck

Build Your Brand Plus Size

Fő tulajdonságok

A classic all-rounder: The Round Neck tee scores with soft cotton and a high wearing comfort. Ribbed cuffs at the neckline and double seams at the hem make the shirt a casual basic piece. With its long and narrow cut, it is body-hugging. Thanks to its single-jersey finish, it is ideally suited for individual finishing with screen printing or light flex prints.
