

BY151 Recycled Windrunner

Build Your Brand

Fő tulajdonságok

The Recycled Windrunner, made with lightweight recycled fibers, is sure to wow you. The mesh lining and hood make this jacket the perfect choice for when you want to be active out in the fresh air. The ribbing at the hem and on the inserted sleeves, and its casual regular fit all bolster its comfort. You can close the Windrunner with a full-length zipper. It can even be customized with different prints.
