

TB2660 Ladies Short Striped Crinkle Track Jacket

Urban Classics

Fő tulajdonságok

Sporty and athletic this track jacket enters the arena with an eye-catching crinkle look. For protection on chillier, windy days you will have a stand-up collar and pockets for your disposal. Add to that a soft lining of mesh and taffeta. The elastic cuffs ensure a perfect fit and the jacket sits exactly where it belongs, on the waist. Fashionable extra are the inserted contrasting stripes on the sleeves.
