

TB2664 Ladies Crinkle Batwing Jacket

Urban Classics

Fő tulajdonságok

Cool, sporty, eye-catching: this batwing jacket made of crinkle nylon is perfect for long, balmy summer evenings in the city. Sporty functionality comes from the elastic cuffs at the sleeves and the hem as well as from the handy hood with its individually adjustable drawstring with stoppers. Wide batwing sleeves and slanted stripes provide dynamics and extravagance. Be in the middle of it all, instead of just sitting around on the side!
