

TB3406 Ladies Basic Shaped Tee

Urban Classics

Fő tulajdonságok

A must-have for every street wear fashionista. With its ultra-comfortable material and strong colors this tee makes a really good impression. Additionally, it pleases with an exciting cut. This being said: Regular looks different! Look forward to a comfy round neck and wide, slanted sleeves at the shoulders. Style highlights of this shirt are its strongly rounded hems, while the back is distinctly longer than the front. That's casual urban style that sparks having fun and leaves you all the freedom you want at the same time.
