

TB3477 Military Shoulder Pocket Hoodie

Urban Classics

Fő tulajdonságok

You just love black hoodies, but would like to have a little variety nonetheless? Perfect, then this urban hoody gem might just be the right one for you! With its accentuated left front with zippered pocket it quickly catches the eye and makes a neat impression. The rest of the design stays true to the classic hoody template, but includes two separate pockets instead of one single kangaroo pocket. Don it and start feeling good immediately.
